SILVER**SAVER**® 1000

Smart Flatware Detector

Saves Flatware, Saves Ramekins, Saves Money

Tired of losing, running out of, and having to frequently re-order flatware and ramekins?
Fed up with other solutions that simply don't work? Stop throwing money in the trash.
With the new **SilverSaver® Smart Flatware Detector**, your flatware and ramekin losses will be a
thing of the past. Your profits will increase. Powered by innovative
MINELAB® technology — global leaders in metal detection — SilverSaver® identifies
flatware and ramekins of any material before they're lost in the trash.

Save Money

Never lose flatware or ramekins into the trash again. Trust SilverSaver® for savings that go straight to the bottom line.

Save All Flatware and Ramekins

Unlike other solutions, SilverSaver® rescues all flatware — including stainless steel, 18/8, 18/10, and silver, plus ramekins of any material.

Metal Detection Technology

SilverSaver® is powered by innovative and accurate MINELAB® technology — worldwide leaders in metal detection for over 35 years.

Alerts Users

SilverSaver® easily identifies flatware and ramekins before they enter the trash using audio and visual alerts. Let SilverSaver® be your eyes and ears in busy and noisy environments.

Easy Operation

Quick and easy to use with intuitive controls to ensure your operations run fast and efficiently.

Safe, Durable and Easy to Clean

Built to last and designed for harsh kitchen environments. Fits standard 32 and 44 gallon round trash cans. Includes one year warranty.
